

Please note the following zip code change for Bear South:

Soldier's name
V Corps, 21st CSH, A Co/HHD
LSA Anaconda
APO AE 09391-1275

Bear North remains the same:

Soldier's name
V Corps, 21st CSH, B Co.
LSA Diamondback
APO AE 09325

We've been told that packages with the prior zipcode which are already in the pipeline should still be delivered, though they may be delayed a couple of days. Camp Anaconda is growing and changing -- adding new personnel. We will do our best to let you know of changes as we become aware of them.

RE: The Upcoming Holidays -

We have a request from the unit for 10 artificial Christmas trees - some to go to Bear North, and some for Bear South. In a group the size of ours, there are often folks who are looking for a way to contribute to the morale and welfare of our troops, or who know of people who are willing to do so.

Please let me know if you, or someone you know, would like to contribute and ship a boxed artificial Christmas tree (about 6" tall) to our 21st CSH troops in Iraq. The shipment should probably take place within the next week or two to guarantee delivery in early December.

Contact me for POC information prior to shipping. Whatever we are unable to obtain by donation we will make arrangements for through the FRG here at Ft. Hood.
